The Process

Assessment visit: Our experienced & friendly team visit your venue. Upon review of the existing space we photograph elements for reference in the design package and note lighting, aspect and any specific conditions.

Colour selections for internal repainting: This is the selection of the new wall & ceiling colours tailored to the look and feel for your venue.

Custom broadloom carpet design: Stand out from the pack! A customised design on a key element like the main carpet to the venue sets the tone for change and renewal at your Club.

Service Point Upgrade: One key service point receives the VIP treatment! A cost effective finishes overlay and lighting selection to revitalise a key position of your Club.

Design Presentation: A meeting with the designer to deliver the revitalisation package.
